The Surfside Business Association (SBA) is comprised of volunteers whose goal is to promote Surfside's business district and increase pedestrian traffic to the downtown area. Visit their website at: www.surfsidebiz.com for the latest news and upcoming events.

SURFSIDE COMMUNITY CENTER

When you are ready to join the fun after check-in, a wealth of recreational options await. Anyone staying in Surfside – whether at a hotel, weekly time share or licensed condo rental – can take full advantage of the Surfside Community Center; including a recreational pool, children’s plunge pool and slide, walk-up café and a hot tub.

In addition to its amenities, the Surfside Community Center provides programs and classes for adults and children. The programs promote social, cultural and physical well-being for all who attend. The Center hosts over 90 health and wellness classes, including Aqua Zumba, Beach Yoga, Pilates and more. If your stomach starts to rumble or you need to quench your thirst, the on-site café will satiate.

For more information about the Surfside Community Center and the daily classes offered, click on the Activities & Events calendar on the Town of Surfside website: www.townofsurfsidefl.gov

TURTLE WALK

Did you know that one of Surfside's most beloved residents is the Florida Loggerhead Sea Turtle? Just across the street from the Surfside Community Center is a much-loved public art exhibition celebrating these magnificent creatures. Turtle Walk is home to 13 turtle sculptures each painted by a renowned South Florida artist. These unique turtle sculptures are made of a resin and fiberglass composite and stand five feet high with a flipper span of four feet. Located on 93rd St between Collins Ave and Harding Ave, the exhibition highlights Sea Turtle Conservation, a cause near and dear to the residents of Surfside.

SURFSIDE TURTLES

If you visit Surfside in the summer or fall, you might notice the limited use of streetlights after sunset and small protected areas on the beach. These measures are in place for Sea Turtle Nesting season, which is in full swing in Florida's beachside communities between May and October. If you see an adult Sea Turtle or hatchling on the beach, observe from afar but never touch or handle them. By abstaining from interfering, you are helping our most precious Surfside residents thrive by allowing nature to take its course.

If you observe hatchlings wandering away from the ocean or trapped on the beach, call 1-888-404-FWCC (3922) or dial *FWC or #FWC on a phone to make a report to the Florida Wildlife Conservation Commission.

THE BEACH

Surfside is a waterfront haven that offers a chance to enjoy the simple pleasures of beachfront living. The beach is a pristine mile-long stretch of beautiful sand boasting a serene setting, uninterrupted by commercial intrusion. From the beach you can enjoy an array of outdoor activities and the peaceful sounds and views of nature. For a great outdoor fitness experience, take advantage of shoreline walking and biking paths. With the beach to the east and lush sand dunes to the west, you can use the paths for a nice stroll, run, or bike ride. There is a lifeguard on duty at the beach just outside of the community center. Whether you enjoy taking long walks on the beach, viewing the picturesque sunsets, or going for an afternoon swim, there are many ways to enjoy the beach in Surfside.

HOTELS • RESORTS

Four Seasons Hotel at The Surf Club is set amid 900 feet of shoreline and lush tropical gardens.

FOUR SEASONS HOTEL AT THE SURF CLUB

From the moment it first opened its doors on New Year's Eve 1930 The Surf Club was a place of imagination and possibility. Commanding a nine-acre stretch of ocean front, its clubhouse and beachside cabanas formed elegant backdrops that would frame the beach and sea. The Surf Club quickly became a magnet for members; a home away from home to live a lifestyle in the sun fading into evenings under the stars. Now, a new tradition begins with Four Seasons Hotel at The Surf Club, as the eternal allure of the shoreline is paired with the brilliance of Pritzker-prize winning architect Richard Meier and interior designer Joseph Dirand.

In addition to a meticulous restoration of the existing clubhouse and cabanas, Four Seasons Hotel at The Surf Club features 77 custom-designed guest rooms, including five unique Cabana Studios, as well as a selection of hotel residential suites in new buildings surrounding the original clubhouse and whose design disappears into the changing sky, beach and sea.

Amenities include three seaside pools, a pristine beach, cabanas, a holistic spa and wellness center, a kids' club paradise and ocean front dining in the historic heart of the Hotel. With Collins Avenue outside the front door, prestigious Bal Harbour shopping is nearby and the nightlife of South Beach and Miami just a short drive away.

GRAND BEACH HOTEL SURFSIDE

Based on the success of the Grand Beach Hotel Miami Beach, in November 2013 the Grand Beach Hotel Surfside opened its doors to the public. In refining the ideas that made the first hotel so popular while still maintaining their concept, the Grand Beach Hotel Surfside oceanfront hotel offers luxurious accommodations with first class amenities.

Guests are greeted by sweeping views of the ocean when stepping into the lobby of the hotel. The standard suites are among the largest beachfront rooms in Miami and the hotel also offers two bedroom suites with a variety of sleeping accommodations. Dine al fresco at The Restaurant, sip on an espresso or refresh with a Gelato at the Espresso / Gelato Bar, or enjoy signature cocktails at the stunning rooftop Sky Bar.

The Grand Beach Hotel Surfside West building is located on the west side of Collins Ave across the street from the beach - within easy walking distance to Surfside's Downtown. The West Hotel offers two pools, two jacuzzis and a sun deck on the roof. Guests are also invited to use all the amenities and beach services at the Oceanfront Hotel.

JOSH'S DELI

Josh's Delicatessen is a modern take on a traditional Jewish Deli. Executive Chef and owner Josh Marcus makes almost everything from scratch, serves deli staples, and bakes his own bread. But he doesn't just serve up the typical bagel and whitefish fare. Instead, he serves crispy latkes with thinly sliced tuna and spicy mayo and a monster "Jewban" sandwich – pastrami, pork, pickle, and Swiss. The menu changes regularly with new offerings that keep diners guessing with every visit. It is an old world meets new world dining experience; and while it is not all kosher, it is all delicious.

The menu offers your choice of protein – turkey, Angus beef, lamb, or salmon burgers – and toppings that go beyond the usual lettuce, tomato, onion. Try the Argentinian burger for Angus beef and a bright and spicy chimichurri sauce, or for a twist on a classic, the Route 66 bacon cheeseburger. A great place for a unique burger (plus gluten-free options), it is also well known for its delicious milkshakes – the chocolate hazelnut is very popular among the locals! Try it and you'll see why!

LE SIRENUSE

Le Sirenuse, located in the Four Seasons at the Surf Club, is a classic symbol of Italian hospitality reimagined for Surfside. An outpost of the famed Positano restaurant owned by the Sersale family, Le Sirenuse is a sophisticated white tablecloth dining experience, situated in the newly restored 1930s clubhouse of The Surf Club at The Four Seasons Hotel. With interiors designed by Joseph Dirand, the restaurant hosts a champagne bar, dining area, covered terrace and 12-seat private dining room. A reflection of the original location's Mediterranean magic, the experience promises Southern Italian cuisine, impeccable service and, of course, champagne.

Harding Realty has been a cornerstone of the Miami Beach real estate market for over 35 years. Established in Surfside in 1978, Harding Realty is co-owned by locals Anita Bigelman and Marta Waserstein.

Their success is a result of years of experience and market knowledge. Specialists in pre-construction sales, they have represented some of the top real estate developers in South Florida. They also manage a sales portfolio of luxury homes and condominiums.

Bigelman and Waserstein have built a business that caters to an international clientele of buyers from South America to Europe. Many of the brokers at Harding Realty are bilingual so buyers from all across the globe can feel confident during the real estate process.
